

*A gift idea for your
Ladies' Member-Guest*

Unique . Practical . Local

The **Mark'r Park'r** is a unique piece of jewelry that acts as a golf ball marker, designed and handmade in Quebec!

Created by a local jewelry designer and avid golfer, the **Mark'r Park'r** holds your ball marker magnetically, keeping it always ready at your fingertips. A strong neodymium magnet reaches out to grab your marker for easy and secure replacement.

Made with care-free stainless steel, it is available in multiple styles and colours as a necklace, bracelet or belt loop jewel.

A FABULOUS GIFT for your
LADIES' MEMBER-GUEST day!
